Remarks:

1. No re-exam will be arranged if student does not attend the online assessment or late for 15 minutes.
2. Number of CNE points awarded is based on student's attendance. (1 CNE point for each hour of a learning activity)
3. No duplicate will be issue in case of the loss or damage to the original certificate.

Bad Weather Arrangement

Announcement by Education Bureau on class suspension due to adverse weather condition does NOT apply to CUSCS programmes/courses. Please note the following bad weather arrangement adopted by CUSCS:

For the online lectures, if the local storm warning signal No. 8 or above, the notice of extreme conditions after super typhoons, or the black rainstorm warning signal is/will be* in force **at or after 3:00 pm**, the online classes (including both the 2 sessions on the same day) will be suspended, even if the signal/notice has been cancelled before the class commencement time (i.e. 6:30 pm).

For the POP Workshop, if the local storm warning signal No. 8 or above, the notice of extreme conditions after super typhoons, or the black rainstorm warning signal is/will be* in force **at or after 7:00 am**, both the 2 sessions of workshop on the same day will be suspended, even if the signal/notice has been cancelled before the class commencement time (i.e. 9:00 am and 2:00 pm).

* As advised by the Hong Kong Observatory and the Government respectively.
