### **Bad Weather Arrangement**

Announcement by Education Bureau on class suspension due to adverse weather condition does NOT apply to CUSCS programmes/courses. Please note the following bad weather arrangement adopted by CUSCS:

If the local storm warning signal No. 8 or above, the notice of extreme conditions after super typhoons, or the black rainstorm warning signal is/will be\* in force **at or after 3:00 pm**, the classes (including both the 2 sessions on the same day) will be suspended, even if the signal/notice has been cancelled before the class commencement time (i.e. 6:00 pm).

\* As advised by the Hong Kong Observatory and the Government respectively.
